

# STABILO® liner

Simply sustainable with just one click!

## IN A NUTSHELL

Available in black, blue, red, and green, STABILO® liner is a retractable ballpoint pen with a fine 0.38 mm line — ISCC PLUS certified: 60% recycled plastic was used to produce the pen barrel (mass balance). Its smooth writing and grip zone provide ideal comfort for everyday use.

Equipped with a clip, it can be carried anywhere with ease.

For long-term use, it can be refilled in black and blue with STABILO refills.

### Convenient

A clip to take it everywhere

### Sustainable

SCC PLUS certified: 60% recycled plastic is used to manufacture the pen body (mass balance)
