

Date : 22 April 2013

**1. TRADE NAME**

STABILO® swan® white

**2. ARTICLE NUMBER**

888PM / 888PS

**3. SUPPLIER DETAILS**

Swan Malaysia Sdn Bhd  
No.5, Jalan Teknologi 5, Taman Teknologi Johor,  
81400 Senai, Johor, Malaysia.  
Telephone No. : (+607) 5978000 (Monday - Friday 8:00 am to 5:00 pm)

**4. PHYSICAL and SAFETY DATA**

Metal tip pen containing a solvent-based white liquid for covering over written inks for correction purpose. White tubing with cone and cap.

**Not intended for use on the skin.**

When stored and used properly, no hazardous reactions can be expected. In case of fire, toxic vapours may be released.

In case of skin contact, wash immediately with plenty of soap and water. In case of redness or irritation, consult a doctor. In case of eye contact, rinse immediately with water for a prolonged period while holding the eyes wide open. If irritation persists, consult an eye specialist.

**5. TRANSPORT INFORMATION**

ADR/RID, IMDG-Code, IATA-DGR: UN 3175 SOLIDS CONTAINING FLAMMABLE LIQUID

N.O.S. (NAPHTA (PETROLEUM), HYDROTREATED LIGHT)

**6. ECOLOGICAL INFORMATION / DISPOSAL CONSIDERATIONS**

The cap is made of polycarbonate and cone made of polyoxymethylene which can be recycled. If recycling is not possible, the correction pens may be added to the household waste in small quantities. Larger quantities are to be disposed of under compliance with local public authority regulations, e.g. at an authorized waste disposal site.

**7. OTHER INFORMATION**

The information herein is based on our present state of knowledge and on data considered to be accurate as of the date of preparation of this Product Information and is intended to describe our products from the point of view of safety requirements. However, no warranty of representation expressed or implied is made as to the accuracy or completeness of the foregoing data and safety information. The user assumes all liability for any damage or injury resulting from the abnormal use from any failure to adhere to recommended practises or from any hazard inherent in the nature of the product. The article and its packaging material contain no substances included on the candidate list (date 19 Dec 2012) according to article 59 (1,10) of Regulation (EC) No. 1907/2006 (REACH) in a concentration above 0.1% weight by weight.
