Product description

VARIO® is a range of robust and economical display panel systems ideal for use in industrial areas including warehouses, kitchens and factory floors.

The Wall Unit 10 is a ready to use wall system with a sturdy metal bracket, 10 A4 display panels (ref. 5606) and tabs. The panels are anti-glare and copy-proof.

Additional units can be positioned alongside one another to any capacity. Units are ideal for holding health and safety instructions, machine operating instructions, and much more.
